

ANNEX B: File Size and Format Modalities

All submissions shall be made as attachments to an email or be contained in the body of an email, unless previously arranged with the WIPO Center. Submissions of file links for download (e.g., via FTP or other such links) will not be accepted.

Each email (including attachments) shall not exceed 10 MB. Larger files must be split and sent via multiple emails.

The total size of a complaint or response (including any annexes) shall not exceed 50 MB, other than in exceptional circumstances (e.g., pleadings concerning a large number of disputed domain names) previously arranged with the WIPO Center.
